

# Okalongo anger

WE AS students at the Okalongo Senior Primary School would like to raise our problems to the Ministry of Education as well as to the public at large.

- There is no order at our school especially in grades 8-10;

- teachers are wasting taxpayers money - they attend only two lessons a day then wait for their salaries;

- some subjects are taught by inexperienced teachers which results in failures for most students at the end of the day, especially Grade 10 candidates;

- the inspector does not consult students on their problems when he visits the school;

- the principal is appointing unqualified teachers while qualified ones are being chased away;

- tribalism is growing rapidly as most Ovambadjas as being appointed regardless of their qualifications.

Therefore we are urging Nanso as well as the Minister of Education to intervene immediately before we take so called illegal actions.
