

Vehicle Abuse In North?

I WOULD like to bring to the attention of the head of the Government Garage what I consider

abuse of State properties.

The following vehicles, GRN 4956, a white

Toyota Landcruiser 1989 and a white combi (Volkswagen) GRN 5150 are always seen in

the mornings and afternoons dropping off and picking up children at Ongwediwa Junior Primary School.

Though my information is not accurate regarding the Ministry responsible for these cars, I gather that GRN 5150 belongs to the Ongwediwa Teachers In-Service Training Centre and the GRN 4956 is driven by someone working at Ondangua.

Do these people have special permission to carry out their activities or is it just a case of abusing government properties in front of unsuspecting taxpayers?

I hope you will investigate the matter.
