

# AME SOLIDARITY

ON behalf of the African Methodist Episcopal Church in the USA and the congregation of Greater Mount Nebo AME church in Washington DC, Dr Jonathan Weaver the Director of Service and Development Agency (SADA) in the USA, who paid a courtesy visit to Namibia in January 1989, asked me to express their warm wishes and prayers to all Namibians.

Congratulations to Swapo President Sam Nujoma for the victorious win in the elections. The AMEC in USA send their best wishes for the future and are still praying for us that we may have peace in years to come.

They express their solidarity with Reverend Hendrik Witbooi, the Vice President of Swapo, and are proud to have him in the Assembly.
