

Freedom charter

FIRSTLY, we the people of Namibia declare for all our country and the world to know that Namibia belongs to all who live in it, black and white.

The main demands are: the people shall govern; all national groups have equal rights and should unite; the land shall be shared among those who work for it; all shall be equal before the law; all shall enjoy equal human rights; there shall be work and security; the doors of learning and culture shall be opened; there shall be houses, security and comfort; there shall be peace and friendship. Justice shall be the key of all activities.

Finally, let all who love the people and their country now say, as we say here: the freedom we will fight for, side by side, throughout our lives, until we have won our final liberty.
